

ZARIN SANAT SARV

Zarin Sanat Sarv was established in 2018 with the mission of enhancing the quality of household food baskets, improving community health, and promoting a better consumption pattern. The company began its activity by producing and supplying a wide range of canned and processed food products.

By leveraging the latest global technologies, Zarin Sanat Sarv has successfully produced more than 90 products under 20 reputable brands, securing a distinguished position among both domestic and international consumers.

Among its prominent brands are Khoshbakht and Makenzi, offering products such as rice, tomato paste, canned tuna, pickled cucumbers, canned beans in tomato sauce, canned beans with mushrooms, canned eggplant stew, canned peas, and canned sweet corn. Additionally, the company owns Life Star, an energy drink brand, and Elgado, an instant coffee brand. Currently, the company exports its products to more than 25 countries, including GCC and CIS members, North America, Africa, and several Asian markets. With a strong focus on expanding export opportunities, Zarin Sanat Sarv aims to achieve a wider global presence in the near future.

Backed by experienced managers in the food industry and a team of skilled specialists, Zarin Sanat Sarv has also secured a significant share of the Iranian market, covering chain stores, wholesalers, and retailers nationwide.

KhoshBakht brand, with the mission of creating pleasant and healthy moments for families, has always been committed to providing quality and natural food products. KhoshBakht's goal is to provide an authentic and unique taste that satisfies consumers by using the best raw materials and achieving to global standards. We believe that Food Activities can connect hearts and create lasting memories of being together. Looking to the future, KhoshBakht always pays special attention to the sustainability of the family foundation and supporting cooking.

KhoshBakht, Happy Together
